

COLOR, LOVE, & RELATIONSHIPS

In our day to day life we have many types of relationships. It is my goal to help you see a relationship or situation in a different light & open your mind to all possibilities so you may choose from a place of higher understanding.

Color is energy and so is love

Colors have a way of affecting us in a positive or negative way.

By choosing colors that create balance we can achieve a life filled with love

Sept 21 7-9PM Cost \$25

OR

THE COLOR of NUTRITION

Are you confused on what foods to eat or what ingredients create health ? Learn why Food is the Dynamic Force in all that you are. Meet the author with a discussion on the confusion in the Nutritional world. Learn how colors of our food energize, cleanse, build & heal our cells creating balance & health!
