

Success stories from people who completed both Phases of **Dr. Gatz's Program.**

The Total Shake is great, but Phase Two is even better! Read a few of these testimonials and you will know why.

"I had irritable bowel, no energy and was overweight. Now, I feel like a new man." - R. B.

"After the Total Shake program, my skin is no longer broken out or dry and scaly." - M. K.

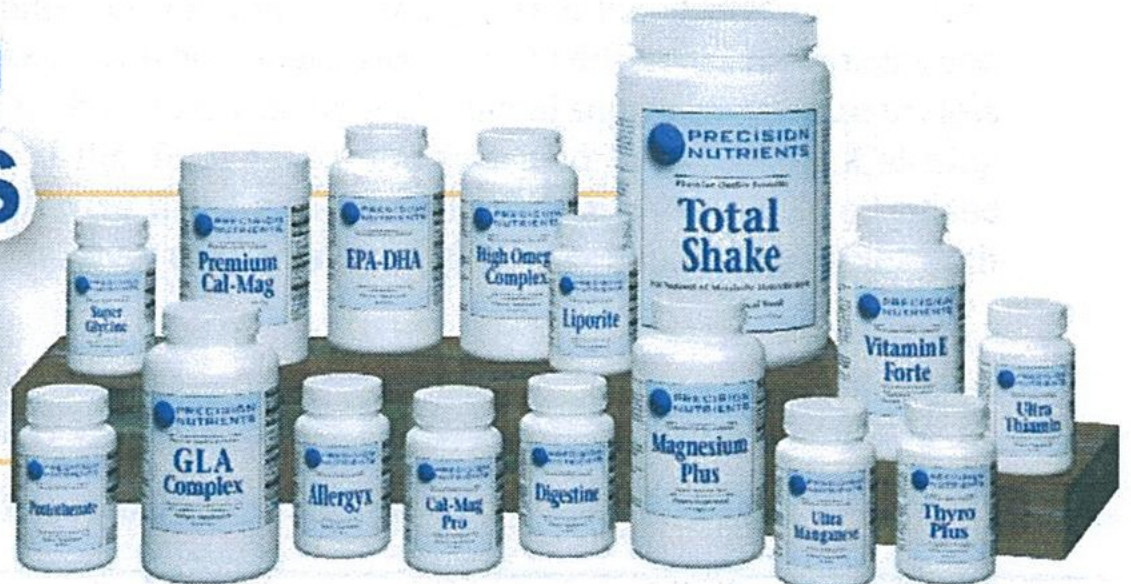

"My heartburn was so severe that I was afraid to eat. Now, no more heartburn, chronic fatigue or starvation." - H. B.

"I was constipated, irritable, fatigued, depressed and moody from the time I woke up to early evening. I really enjoy my life now. My body feels stronger and more balanced." - S. K.

I had scoliosis, allergies and asthma. Now, I can now run 3 miles and play a whole soccer game. It's easier to sleep at night and I feel healthier." - T. W.

"I've been sick for forty years. I've had severe breathing problems, bronchitis, with respiratory infection the entire time. After 1 week on the detoxification shake I feel good inside and all over my body for the first time in forty years. I can breath and have no aches and pains in my joints and muscles." - C. S.
